

Reunion Sponsorship

We are looking for sponsors to help our reunion out!

As a reunion sponsor, your donations would be used to cover reunion expenses and thereby lower the overall cost to our classmates. Reunions cost a lot of money and that can make it difficult for all of our classmates to attend. Sponsorships help absorb some of those overhead costs.

In return for your sponsorship, the reunion committee will advertise your company or business during our events. The amount of your donation will determine the amount of advertising done. The chart below gives the different levels and associated donation amounts. If you would like to donate in-kind items or services, we are happy to work with you on that as well. These items would be used as door prizes.

This is NOT just limited to businesses owned by our classmates! If you have neighbors, family, or friends with businesses who would like some advertising in exchange for supporting a good cause, we welcome them!

If interested, please contact the reunion committee on Facebook, www.facebook.com/falcons96/ or Cindy Olds Pendleton at colds1997@gmail.com. You can register at the reunion website as well: www.clearfieldhigh1996.com.
